

Dear Members and Supporters of the EUREKA Cluster Metallurgy Europe,

Metallurgy Europe just opened call 3 for proposals. In this context we are organizing a Metallurgy Europe event at Dublin City University on 14th February 2019 to which you are cordially invited.

The event has the main purpose to give an update on the status of Metallurgy Europe and to support **the creation of new projects** for the third call. This call which is thematically very near to Metallurgy Europe call 2 was recently launched on the ME website and will be open with deadline of May 17th 2019

The agenda is planned for 14th February 2019 as such is:

10.30 – 11.15 Metallurgy Europe – update on current situation and requirements for call 3 proposals

11.15 – 12.00 Feedback from the audience / discussion

12.00 – 13.00 Lunch + coffee

13.00 – 15.00 Project match making workshop

The event will take place in Room S127a, First floor, Stokes Building (S Building), Engineering, Dublin City University, Glasnevin, Dublin 9, Ireland.

The meeting location is linked [here](#).

Nearby hotel options include: [Crowne Plaza Dublin Airport](#); [Bonnington Hotel](#); and [Skylon Hotel](#)

Please feel encouraged to attend and develop new industry based joined projects based on international cooperation and having at least two partners in one project. The financial support available through the countries mentioned explicitly in the call text.

As we have to prepare the lunch break we would need a confirmation from you **asap by mail** (to dermot.brabazon@dcu.ie, ole.koeser@esi-group.com, stefan.zickgraf@interrecherche.com,).

Looking forward to meet you in Dublin.

Best regards

Dermot Brabazon, Hans Fecht, Ole Koeser, Stefan Zickgraf
